IAD Set - 4 pcs | Impact wood auger bit - sets

- Suitable for use with all types of corded / cordless drills including impact wrenches.
- Drilling with an impact wrench enables drilling holes with less effort, one hand drilling, drilling up a ladder and above head height with less risk of injury from the tool clutching out.
- New Milwaukee® Through-Center head geometry with the lead cutting edge lines up with the center of the feed screw.
- This ensures efficient chip removal and allows for continuous feeding.
- 20° rake angle of the lead cutting edge creates a path for easy chip ejection.
- Polished and powder coated flute design produces a non-stick surface for increased chip ejection, reduced chip clogging and higher selfeeding capability.
- Milling marks are removed in the finishing process, creating a smooth surface.
