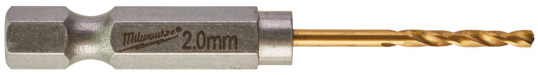
Shockwave HSS-G TiN Red Hex 2 mm - 2 pcs | RED HEX - SHOCKWAVE™ HSS-Ground titanium metal drill bits



- Impact rated drill bit with ¼″ hex shank optimised for impact drivers.
- The Chip Breaker tip splits up the size of the material from the cutting edge and helps cooling down the material.
- The flute design allows for a faster material ejection and decreases heat build up for more efficiency.
- The titanium coating dispenses heat.
- Higher versatility thanks to the ¼″ hex shank which makes this drill bit suitable for impact and drill drivers.
- The 135° tip angle reduces tip walking and allows a precise start.
