Flap disc Cera Turbo 115 mm | Flap discs

- Maximum productivity with CERA TURBO™, 50% faster material removal and 2x longer lifetime vs. bonded disc.
- Ceramic hybrid disc: grinds steel, stainless steel, bronze, titanium, aluminium.
- Self trimming backing pad: allows grinding to the last grain!.
- Natural fibre backing pad: low vibration & noise, no harmful dust.
- Highly flexible: perfectly adjusts to working piece.
- Low heat development: no metal discolouration, especially on stainless steel.
- Made in Germany.
