M12 HJ GREY4-0 (S) | M12™ Premium Heated Jacket

- Heat on Demand - 5 sewn in carbon fibre heating zones distribute heat to core body areas and to the front pockets.
- Superior run time, up to 8 hours of heat on a single battery charge of an M12™ REDLITHIUM-ION™ 2.0 Ah battery pack.
- ToughShell™ stretch 100% polyester material to withstand harsh working conditions and up to 5x longer life.
- Free Flex™ mobility - additional material under the arms increases range of movement for working overhead.
- Water and wind resistant, provides comfort and durability in harsh environments.
- Improved design with extended back and adjustable waist prevents heat loss and keeps the user warm.
- M12™ battery controller with 1 A USB port, to charge mobile devices stored in concealed battery pocket.
